What's the

**DIFFERENCE**

between

**Songbirds Music, Music Together®, and Canta y Baila Conmingo™?**

## Songbirds Music

offers opportunities for children ages 0–6 to participate in developmentally appropriate music and movement activities with the grownups who love them. We sing, dance, learn, and play together while building community and musical competence through programs specifically designed for young children. Think of Songbirds Music as the Mama Bird offering a family of programs, including...

## Music Together®

classes provide a true family music experience. Complete with instruments, movement, and music from around the globe, this proven curriculum presents rhythm, meter, and tonality in a non-performance-oriented environment. All musical abilities welcome!

## Canta y Baila Conmingo™

is a unique program organically integrating language immersion with the irresistible sounds and rhythms of Spanish-speaking cultures. Sing, dance, and play together! All language and musical abilities welcome.

## Birds of a Feather

flock together... that's exactly what we do whenever we can. Whether it's a birthday party, and special library event, or one of our Sing-For-A-Day classes in between sessions, you can always find us singing and moving somewhere around San Diego.
